++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers.

Today:
A cold start for some but sunny spells soon recovering temperatures, enough to develop showers from late morning, with some turning heavier during afternoon. Highest temperatures in east, particularly around the coast where they will be markedly up from yesterday. Maximum temperature 22 deg C (72 deg F).

Tonight:
Late sunshine as the showers die away early to mid-evening, leaving the vast majority dry overnight with clear skies. Winds light. Minimum temperature 7 deg C (45 deg F).

Wednesday:
Sunshine and showers again, but outbreaks more frequent and heavier, with some afternoon thunderstorms possible, chiefly away from the eastern coastal fringes. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Continuing with the showery theme, but becoming more unsettled with outbreaks quite frequent, also merging to longer periods of rain sporadically, which turns heavy at times.
